EDUCATION

-
- Sri Sivani College Of Engineering** AP, India
Bachelor of Technology - Artificial Intelligence and Machine Learning Sep 2022 - June 2026
CGPA: 7.27

SKILLS SUMMARY

-
- Languages:** Html ,Css, JavaScript, SQL,Python, PHP,
 - Frameworks:** ReactJS, NodeJS
 - Tools:** VS Code , GIT ,Figma , Canva
 - Platforms:** Windows
 - Soft Skills:** Leadership, Event Management, Public Speaking, Time Management , Quick Learner

EXPERIENCE

-
- Shamghar Software Solutions** AP, India
Deep Learning Intern Mar 2025
 - Deep Learning Research:** Working on deep learning models and applications for software solutions.
 - Model Development:** Implementing and optimizing neural network architectures for various applications.
 - Data Analysis:** Performing data preprocessing and analysis for machine learning models.
 - Brainovision Solutions** AP, India
Workshop Participant Feb 2025
 - Web Development Workshop:** Participated in an intensive workshop on advanced web development techniques and modern frameworks.
 - Design Thinking Innovation Hackathon:** Competed and won 1st prize in the hackathon focused on design thinking and innovative web solutions on February 15, 2025.

PROJECTS

-
- Full Stack Web Application for Srikakulam Police Department (Web Development):** Developed a comprehensive web portal for the Srikakulam Police Department to streamline operations and improve public interface. Tech: HTML, CSS, JavaScript, Php ,MySql (Jan '25)
 - Web Application for Sri Sivani College of Diploma (Web Development):** Created a custom solution for Sri Sivani College of Diploma to enhance administrative efficiency and student experience. Tech: HTML, CSS, JavaScript(November '24)
 - Hackathon Project - Brainovision Solutions (Innovation):** Developed an innovative web-based solution addressing SDG goal 14 using design thinking principles. The project won 1st prize with a cash reward of 10,000 rupees, competing against 35 teams at the Brainovision Solutions hackathon on February 15, 2025. Tech: HTML, CSS, JavaScript, PHP, MySQL

CERTIFICATIONS

-
- Web Development - LinkedIn Learning:** Comprehensive course covering HTML, CSS, and JavaScript fundamentals for building responsive websites (January '25)
 - Full Stack Web Development - LinkedIn Learning:** In-depth certification covering front-end and back-end technologies including React, Node.js, and database integration (Jan '25)
 - Python Programming - Udemy:** Complete Python programming course covering core concepts, data structures, and practical applications (Jan '25)
 - Introduction to Artificial Intelligence - Simplilearn:** Foundational course on AI concepts, algorithms, and their real-world applications (Jan '25)
 - Prompt Engineering - AWS:** Specialized certification in designing effective prompts for large language models and AI applications (February '25)

HONORS AND AWARDS

-
- 1st Prize at Brainovision Solutions Web Development Design Thinking Hackathon - Cash reward of 10,000 rupees out of 35 competing teams - February 15, 2025

VOLUNTEER EXPERIENCE

-
- Student Coordinator at Technical Club** Sri Sivani College Of Engineering
Organized technical workshops and events for students to enhance practical knowledge. mar 2025

PROFESSIONAL INTERESTS

-
- UI/UX Design:** Exploring user interface and experience design principles to create more intuitive and accessible web applications
 - Editing:** Creating and editing video and images using professional tools to enhance visual storytelling and digital media production
